Mr. Whiteshoes

[*guitar intro*] Em-D-Em-D-Em-D-Em

Em
Well, when old Whiteshoes comes awalkin’

Em
You better watch out what you sign

Em D
When old Whiteshoes comes atalk-in’

D Em
Better keep a close grip on your mind

Em D
Cause’ his computer’s got your number

D Em
His life insurance steal you blind

Em
Well, I seen him in Dallas

Em
Seen him in Los Angeles too

Em D
Well I seen him in Mem-phis

D Em
I do believe I seen him in St. Loo

Em D
He’s at large in At-lanta

D Em
Known to be in Kansas City too

Em
When old Whiteshoes comes walkin’

Em
He’s come to see what he can find

```
Em                                  D
When old Whiteshoes comes atalk-in'

D                                Em
You better grab hold of your mind

Em                           D
Cause' his model's got a system

D                            Em
For feedin' you a ripoff line

Em
Well, I seen him in Dallas

Em
Seen him in Los Angeles too

Em                         D
Well I seen him in Mem-phis

D                                   Em
I do believe I seen him in St. Loo

Em                     D
He's at large in At-lanta

D                              Em
Known to be in Kansas City too

Em
Well, beware of the summer

Em
'Cause old Whiteshoes is in town

Em                           D
Don't go near to the air-port

D                                        Em
'Cause he would like to shoot you down

Em                              D
Got his trap set at the mo-tel

D                               Em
In case he catch you comin' round
```

Em
Well, I seen him in Dallas

Em
Seen him in Los Angeles too

Em D
Well I seen him in Mem-phis

D Em
I do believe I seen him in St. Loo

Em D
He’s at large in At-lanta

D Em
Known to be in Kansas City too

[*Repeat last verse and chorus in distorted voice*]

Em
Beware of old Whiteshoes

Em
Beware of old Whiteshoes

Em D-Em
Beware of old Whiteshoes
